### Key Differentiators:

Webber CPA's Core Values influence who we hire, the clients we partner with, and the engagements we accept. From our capable team, you can expect:

**Meaningful Work** - A job well done for us means that a victim can find peace, an agency can continue its mission, and a company can become a stronger economic force in the community.

**Positive Attitude** - We work with others the way we'd like others to work with us: with respect, tolerance, and good humor.

**Honesty** - Good news or bad news, we deliver it timely and tactfully, and expect the same from colleagues.

**Passion** - Our company was founded on heart. Heart is what we put into our work, our communication, and our relationships every day.

**Integrity** - We handle every engagement with objectivity, due care, and confidentiality.
